

Appeal on the Weekend of  
22nd/23rd October, 2022

# 2022 Catholic Mission Church Appeal

Please join us in helping families learn new skills and access employment opportunities through the construction of the Goat Rearing Centre, led by Fr Habte in Emdibir, Ethiopia.

Earlier this year, Catholic Mission shared the story of Neela\* and her baby son, Ajani\*, who is frequently unwell. Neela struggles to provide medication and treatment for Ajani, and nutritious food for her two older children. Fr Habte, alongside his community, has begun to expand the current farm to include a goat rearing centre to provide nutrient rich milk for families. But there is more to be done.

Like Neela, many community members struggle to secure a stable income to provide for their families, lacking the skills or opportunities to secure work.

The Goat Rearing Centre can make a great impact for these families, not only providing nutritious milk, but also providing agricultural training and jobs so desperately needed in the community.

Today, we invite you and your parish to partner with Catholic Mission in supporting the Goat Rearing Centre and many other Church-run mission programs around the world. Together, we can help build brighter futures for families in Emdibir.

*Catholic Mission would especially like to thank Fr Habte, Bishop Musie, the families and individuals who generously shared their time and stories with us.*
