OUR 2023 PARISH RENEWAL PROGRAM

NEW THANKSGIVING COMMITMENTS

Thank you to all parishioners for the generous response to our Parish Renewal Program. I am pleased to report a positive response! Our parish groups and ministries have been revitalized with existing volunteers renewing and new families offering their commitment. Parish income has received a welcome boost with existing families reviewing and renewing their pledges and 20 new families pledging their support for the first time. Thank you!

Letters of thanks and acknowledgement of your new pledge are available for your collection in the church foyer at all Masses this weekend. These will be in **ALPHABETICAL** order – one section for those contributing by envelopes and another with letters for those contributing by direct means. A reminder that the new financial commitments **take effect next weekend – Sunday 26 November**.

Those who have chosen to contribute by Direct Debit for the first time or amended their previous pledge, will have the appropriate Direct Debit authorization form enclosed with their letters. We ask you to complete and return the form to the Parish Office during the week. For those who elected to contribute by envelopes, a set of envelopes is enclosed with their letters.

There will also be a sheet available for those who are unable to find their letter – simply add your details and the Parish Office staff will be in touch.
