Since our foundation and throughout our 167 year history the Sisters of the Good Samaritan have been committed to the flourishing of women. We have educated girls and women from pre-school to tertiary levels, and have also been engaged in adult education and adult faith formation.

The Good Samaritan Study, Accompaniment and Mentoring Program offers financial assistance for tertiary theological study.

The grant can be spent on tuition or other expenses associated with the completion of the qualification.

Core components of the program include opportunities for spiritual accompaniment and mentoring. Invitations are also offered for participants to gather to share their experiences and to explore questions arising from their study in conversation with experienced women leaders in the Church.
