## MOTHER'S DAY

*"A mother's love endures through all."*

*- Washington Irving -*

Mother's Day is a time to honour and celebrate the most special women in our lives – our mums. It's a day to recognise the tireless efforts and unconditional love that mothers give to their children. For some, it can be an especially hard day as we remember and miss the mums who are no longer with us. We can take comfort knowing their love stays with us in the memories they left and the way they shaped our lives.

From the moment we are born, our mums become our first teachers, our role models and our biggest supporters. They are the ones who wipe away our tears, encourage us to chase our dreams and are always there to listen.

This Mother's Day, let us take a moment to thank our mums for everything they have done for us. It is a time to appreciate their sacrifices, their strength, their unwavering love and to recognise the challenges they face and the hard work they put in every day to make our lives better. It is also a chance to make the day extra special by showing them just how much they mean to us. Whether it's with a heartfelt message, a thoughtful gift or simply spending time together, we want them to feel appreciated and loved.

So, to all the amazing mums out there, Happy Mother's Day! Thank you for all that you do and for being the incredible women you are. You are truly an inspiration to us all.

*"Dear God, thank You for the gift of mothers. Give them strength, patience and love. Guide them in their journey, and may they know they are loved and cherished. Amen."*
