

CENSUS 2026

Shape the Future: Be Counted as Catholic this Census

Australia's national Census will be held on 11 August 2026. Catholics are encouraged to mark "Catholic" in the question on religion. In a time when some would seek to diminish the importance of faith, it is vital that the Catholic community be represented in our national statistics. Census data supports Church pastoral planning and contributes to government decision-making on health, education, infrastructure, and social services – guiding resource and funding allocations across Australia. By identifying as Catholic, you can help ensure that the contribution and needs of faith communities are properly recognised and considered in future planning and policy decisions.
